ABOUT US

Who We Are

Our Mission

To deliver safe, science-backed nutrition solutions that improve lives at every stage — through innovation, quality, and accessible global manufacturing.

Our Vision

To become the world's most trusted private-label nutrition manufacturer, recognized for regulatory excellence and product integrity.

Our Network

A certified manufacturing network with integrated R&D, AI-powered regulatory technology, and export operations across five continents.

Nutrition Solutions Across Every Life Stage

Ten specialized categories spanning the full human lifecycle — from infant formula to geriatric care.

Infant Nutrition

Stage 1–4 formulas, goat milk, soy & lactose-free options

Children's Nutrition

Growth formulas, brain development & kids' gummies

Women's Health

Prenatal, postnatal, iron & beauty nutrition

Adult Wellness

Multivitamins, immunity, digestive & heart health

Sports Nutrition

Whey protein, BCAA, pre/post workout & electrolytes

Clinical Nutrition

Diabetic, renal, oncology & critical care formulas

Geriatric Nutrition

High protein, bone health & senior wellness formulas

Herbal Products

Ayurvedic formulations, herbal tablets, syrups & gummies

Baby Care

Creams, lotions, oils, shampoos & baby wash

Functional Foods

Millet-based nutrition, ready-to-eat & RTD foods

17 Dosage Forms, One Manufacturing Partner

From traditional tablets to innovative oral dissolving films — NutriMélange delivers across every format your brand requires.

Oral Solids
